ALL NEW
COROLLA ALTIS

Designed to Inspire Envy

Once in a lifetime, comes a car that redefines luxury and style. Which looks and feels like it belongs to a class above. And provides a driving experience so far beyond anything you've experienced, that you'll either be overcome with awe, or stunned by envy. The all-new Corolla Altis.

Design you can't take your eyes off

A sleek, wider body for increased stability. Sophisticated, smooth-flowing lines. With such advanced styling, it's impossible to avoid envy.

Comfort beyond compare

A curved flowing centre console design, edged in silver. Wide, spacious interiors. Extra legroom and headroom. Luxuries of the highest order. With so many comforts, you can't help but be envious.

Audio controls on the steering wheel put convenience right at your fingertips.

The convenient cruise control makes for an absolutely hassle-free drive. And the smart MID switch on the steering wheel gives you one touch access to a wide range of information.

Make your drives truly refreshing, with the premium audio system with 6-CD changer, remote control and aux-in port.

A quick glance gives you fuel, speed, and other details, thanks to the Optitron 3D combination meter with crystal clear multi-information display.

Enjoy ultimate comfort in the driver's seat, with the Tilt and Telescopic steering.

An innovative two-layer glove box makes for superior organized storage.

Front cup holders offer another smart storage space inside the Altis.

Rear armrest with cup holders ensure you enjoy refreshing drives.

A comfortable center console with a slide-type armrest opens up into two different layers, giving you intelligent storage options.

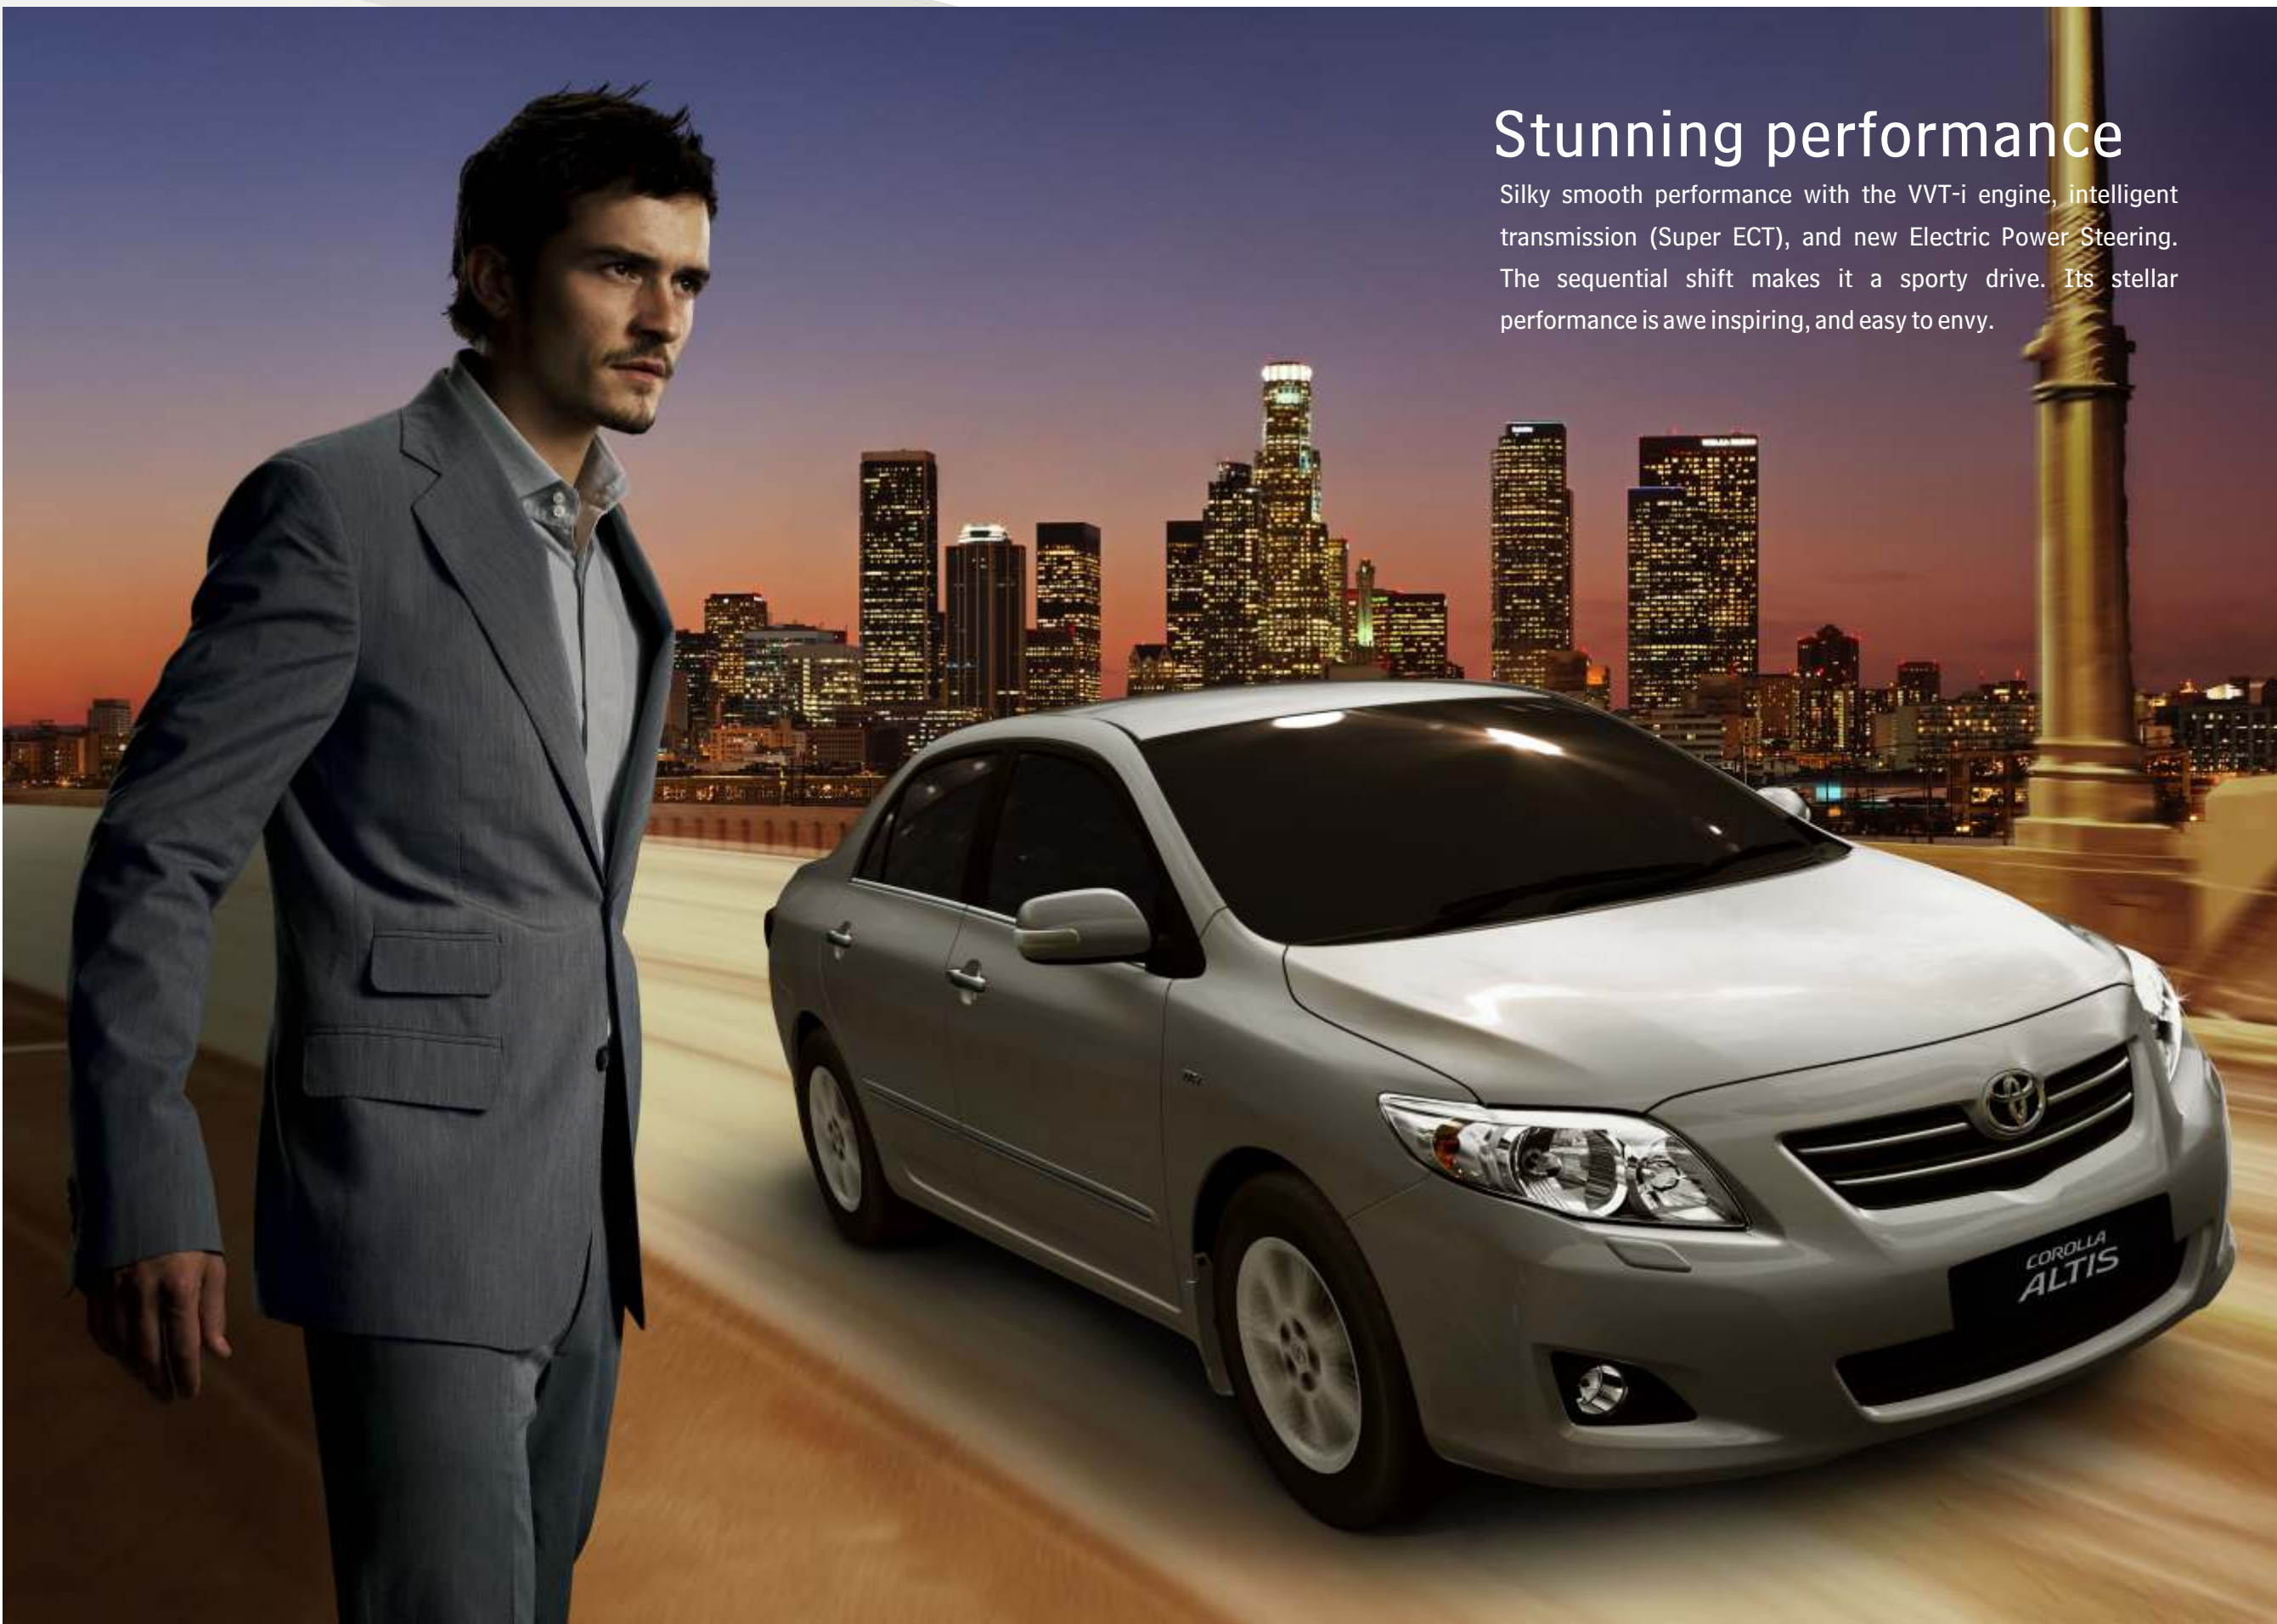

The 8-way adjustable power driver's seat with power lumbar support that adapts to various seating positions.

A thoughtful flat floor design allows easier movement for the rear seat passengers.

60:40 split foldable rear seats provide abundant storage space, in addition to the spacious 475 ltrs boot.

Stunning performance

Silky smooth performance with the VVT-i engine, intelligent transmission (Super ECT), and new Electric Power Steering. The sequential shift makes it a sporty drive. Its stellar performance is awe inspiring, and easy to envy.

The intelligently designed Super ECT transmission with sequential shift promises a thrilling yet smooth driving experience.

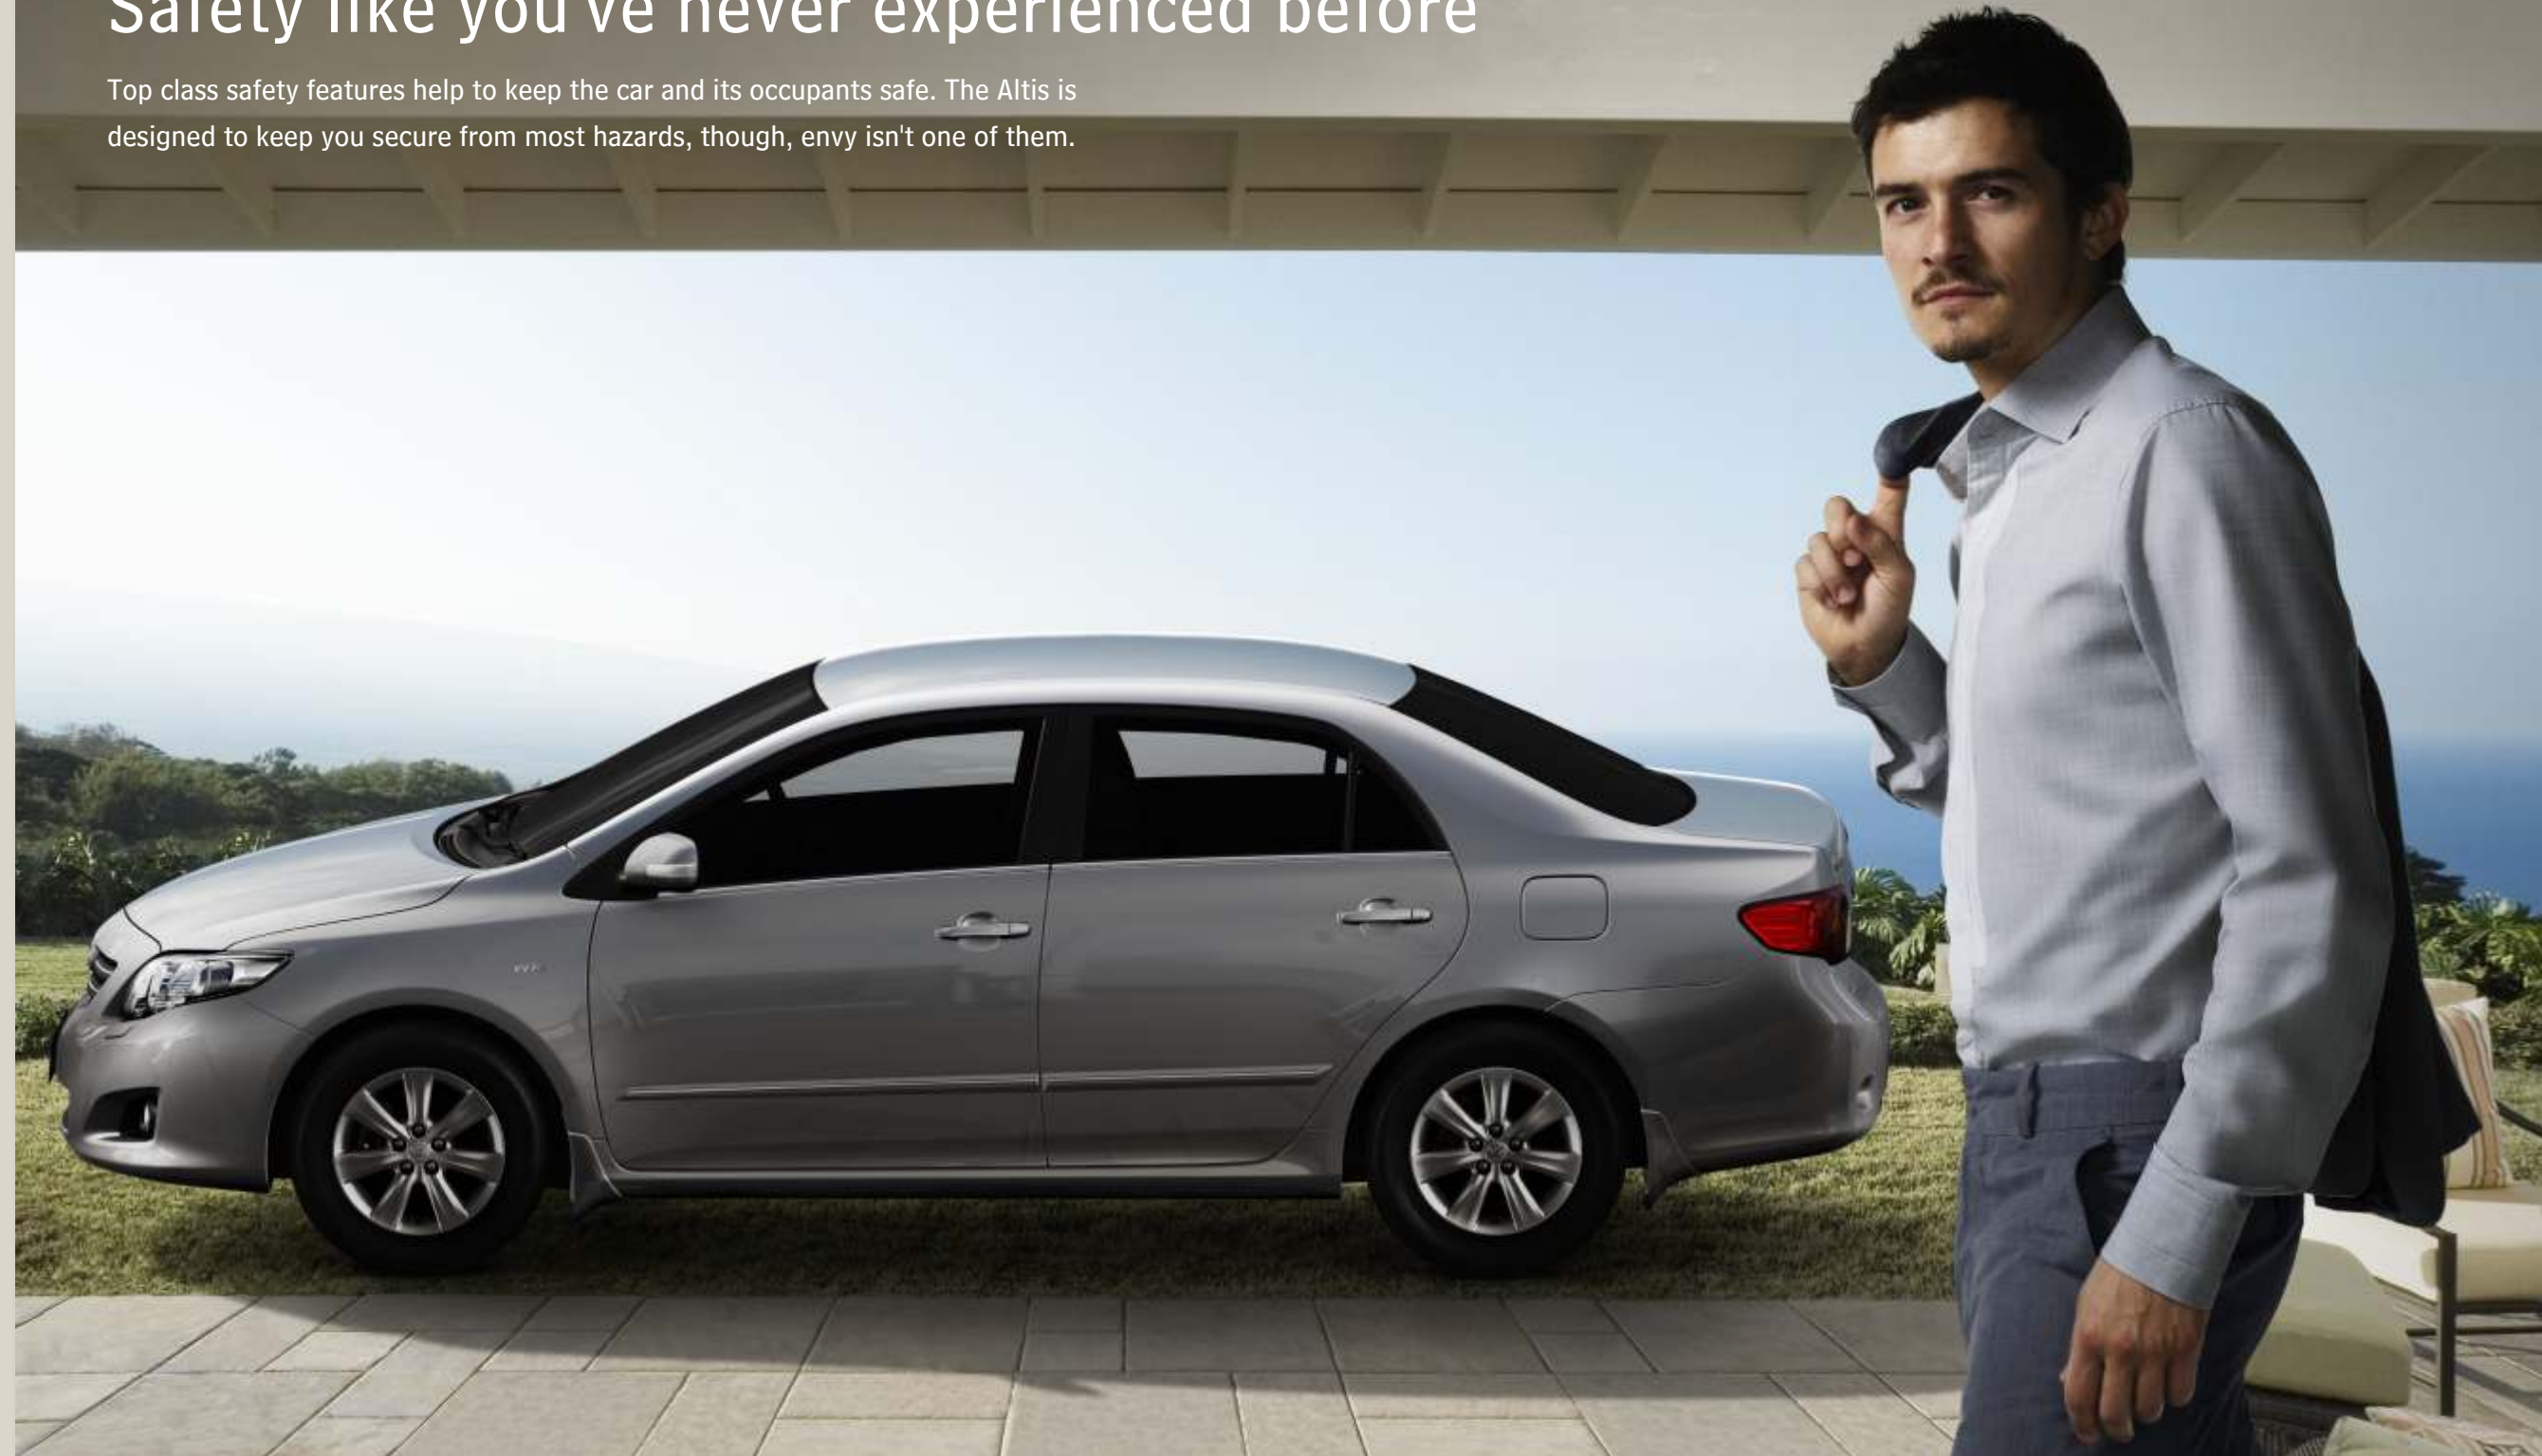

A high-performance fuel-efficient VVT-i engine delivers power at your command, and reduces emissions as well.

MacPherson Strut front and Torsion Beam rear suspensions for a smooth and pleasurable drive.

Safety like you've never experienced before

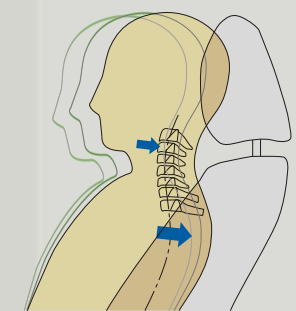

Top class safety features help to keep the car and its occupants safe. The Altis is designed to keep you secure from most hazards, though, envy isn't one of them.

The rock-steady framework of GOA (Global Outstanding Assessment) body provides foolproof safety to driver and passengers.

The dual SRS front airbags offer enhanced protection in the event of a collision.

The special WIL (Whiplash Injury Lessening) concept seats prevent injuries to the neck and back, in case of collision.

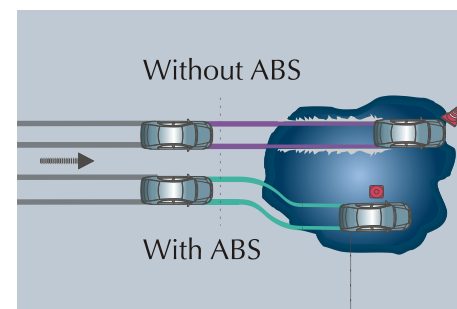

3 seat belts in the back seat are included to keep all passengers protected at all times.

The striking HID headlamps are built to last long and are a breeze to maintain too.

The Altis features 15-inch disk brakes on all wheels for superior driving control.

The ABS (Anti-lock Braking System) makes for smooth and assured stops, when you require sudden braking.

The auto Antiglare inner rear view mirror (EC rear view mirror) eliminates glares from vehicles behind you, keeping you safe and in control at all times.

Revolutionary quality

Toyota engineers its cars with a sharp eye for perfection in every aspect. This attention to detail reflects in the groundbreaking quality of the Altis. Another virtue for others to envy.

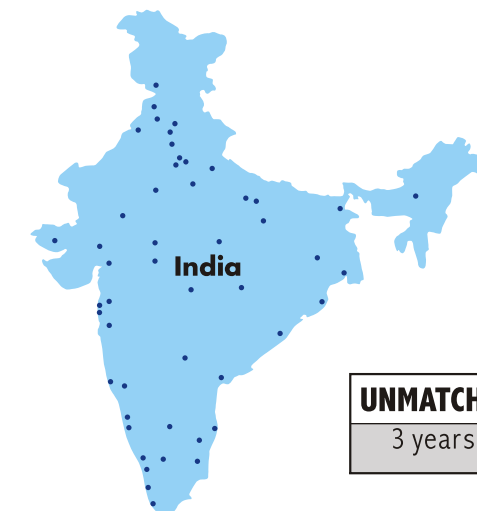

Safety quality: Toyota designs its safety features to the most impeccable quality. Inside the Altis, you'll feel enveloped by a sense of total security, wherever you go.

Visibility quality. The HID headlamps in the Altis create an illumination map that keeps the roads effectively lit at night. The slick side signal lamps are integrated into the outer rear view mirrors, making the Altis more noticeable on the road, and more enviable off it.

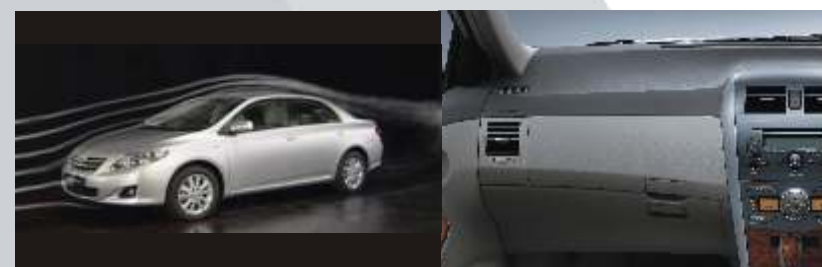

Protection quality. The solid framework of GOA (Global Outstanding Assessment) body makes for failsafe security.

UNMATCHED WARRANTY*
3 years / 1,00,000kms
*Conditions Apply

Security quality - Your Corolla Altis comes with a 3 years / 1,00,000 kms warranty that lets you enjoy your driving experience even more. Plus, our countrywide service network ensures that you enjoy your Corolla Altis, stress-free. Who knew envy could come with so much peace.

Design quality: At Toyota, we design our cars with quality that keeps them looking like stunners, and driving like experts. Just like the Altis.

Assembly quality. To take Altis to the highest degree of perfection, its parts are assembled intricately close together. This reduced gap between them creates a gorgeous look, and delivers enhanced aerodynamics.

Painting quality. A specialized 2-bake 3-coat painting technique is used on the Altis, to provide a finish that dazzles, and beauty that lasts and lasts.

Comfort quality: The Altis is practically designed around the passenger's comfort needs. Which means, it offers comfort you can touch and feel, not just read about.

NVH quality. The Altis is built to allow zero or minimal noise and vibrations. This has been achieved by optimizing the placement of absorbing materials. The result – a silky smooth drive, every time.

Sound quality. In the Altis, luxury makes its presence felt, even when you close the door of the car. The smart audio system is equipped with an audio sound levelizer, which can gauge the noise levels inside the car based on car speed. So you get nothing but the most peaceful drives.
